2. Attached are additional copies of this memorandum for distribution to the Career Service Boards under your jurisdiction. These boards should review all eligible persons for whom they are responsible and also consider the names of any persons who may have applied. Your nominees may be drawn from those recommended by the Heads of the Career Services. The CIA Career Council will recommend to the Director, candidates and alternates for the 1958 courses. The Director will make the final determination.

3. Your attention is invited to the fact that our nominees for the Armed Forces Staff College are expected to have "Q" clearances prior to arrival at the college. Since "Q" clearances take from four to six months to process, it is requested that your nominations for the Armed Forces Staff College be submitted on or before 2 September 1957 in order to allow time to process a candidate for the February course.

4. It will be appreciated if your nominations for each of the other schools are forwarded to the Executive Secretary of the CIA Career Council on or before 16 September 1957. The Council will consider these nominations as soon as possible thereafter. Nominations may be made in memorandum form presenting the qualifications and justification for consideration. Minimum qualifications for such assignments are specified in the Office of Training Catalog of Courses.
